

# Golden Gate University

## Lender Option List

After screening lender options, the Golden Gate University Financial Aid office has compiled a list of those who are **frequently used by our students** and who we believe will provide a high level of customer service.

**You are free to choose any lender that participates in the Title IV loan program even if the lender is not on the list below.**

If you already have Stafford loans, we recommend that you borrow from the same lender, especially if you wish to consolidate your loans in the future.

All lenders are currently reviewing their terms. **For specific information, please contact the lenders through their websites or toll free numbers.**

### **Federal Family Education Loan Program, Undergraduate/Graduate, PLUS loans**
