

MAP 2: CIUP TO UPX (NANTERRE)

From CIUP, take the RER B in the direction of Aéroport / Mitry-Claye to Châtelet-les-Halles. Change for the RER A in the direction of Saint-Germain-en-Laye. **MAKE SURE THE STOP** Nanterre Université is lit up on the board! This is where you get out. NB: There are 3 stops that begin with "Nanterre": Nanterre Préfecture, Nanterre Université and Nanterre Ville. Be careful.

At Nanterre Université, exit the train and go right to the end of the platform, then up the steps. Pass through the turnstiles and turn left, following signs for "Université Paris X". Exit the ticket area and continue down the ramp. At the bottom of the ramp, the road veers right as it enters the Nanterre campus; follow it. Turn right as soon as you can (about 50 feet from the end of the ramp). The law school is building F, the first on your right (as indicated on the campus map below).
