GGU4YOU

GGU4YOU is the university's Web-based student information system. Students are encouraged to utilize Web registration at www.ggu.edu. JD students who need a waiver of rules will not be allowed to use Web registration to exceed the maximum units for their program types: 16 for students enrolled in full-time programs or 12 for students enrolled in part-time programs in the fall and spring terms; 8 units in the summer term except for students in the Honors Lawyering Program (HLP). Students will not be allowed to use Web registration for courses that require associate dean, program director, or instructor approval for enrollment. Students should be careful when processing online registration as occasionally students inadvertently drop an active course in which they are already enrolled.

All students should ensure they are able to login to GGU4YOU. Students will need to use their accounts to obtain exam numbers and to view grades and program evaluations. Students who do not know their user names or passwords should go to www.ggu.edu/law/ggu4you for assistance. Students who still are unable to login should send a message to lawhelp@ggu.edu requesting assistance.

PRIORITY REGISTRATION INSTRUCTIONS

Priority registration is available to all degree-candidate students. Priority registration for JD students is made available by anticipated graduation date, as indicated in the table below. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu during the priority registration periods listed in the table. Students who use Web registration may make schedule changes immediately. Students who submit hard copy registration forms may not make schedule changes until their original forms have been processed.

Students should obtain any necessary approvals prior to submitting registration forms.

The Law School Registrar's Office staff will process hard copy registration forms during the same dates that Web registration is made available to each group of students below. Forms submitted in person will not be processed before those that are mailed or before online registration. All forms received prior to the processing period for a group are randomized before processing. Forms received prior to or during the processing period for a student's priority group will be processed with that group. Forms received after the processing period for a student's priority group will be processed during the next period or during General Registration, whichever comes first. Statements of Charges will be mailed to all students who register via paper form. Statements are not mailed to students who use Web registration, but are available upon request from the Registrar's and Financial Aid Offices. Once their registration has been processed, either online or manually, students may view the courses in which they are registered by selecting "My Course Schedule" from the "Student" menu in GGU4YOU.

Group Number	Priority Group Members	Online priority registration & hardcopy processing start date
1	July 2009 and December 2009 JD graduation candidates, all LLM & SJD students	Monday, March 23
2	May 2010 JD graduation candidates	Monday, March 30
3	All other continuing JD students	Monday, April 6

Students must select a payment option at the time of registration. Students who are using Web registration will be prompted to select an option. Students who complete a hard copy form must indicate their payment option or "Payment in Full" will be selected for them. Students using a combination of options, such as Financial Aid and Installment Plan, should select the one that will be used to pay their net balances. The deadline to fulfill payment obligations is **Monday, June 1, 2009**.

Student Accounting Services (SAS) may place a hold on the records of students whose accounts are not current, and they will not be allowed to register without the authorization of SAS. Holds also may be placed on students' records by other offices such as the Law School Registrar's Office, or International Student Services, if there are issues that must be resolved before registration. If there is a hold on a student's account, that student will not be allowed to register until the office that instituted the hold has removed or waived it.

GENERAL REGISTRATION INSTRUCTIONS

Processing during General Registration, April 13-May 22, 2009 is on a first-come, first-served basis. Students are encouraged to utilize Web registration via GGU4YOU at www.ggu.edu if they are not precluded from doing so. After registering for a course, if a student decides not to take it, the student is responsible for dropping the course, with prior approval if approval is required, either by using GGU4YOU or by submitting a *Schedule Change Request* form to the Law School Registrar's Office.

DEADLINES FOR SCHEDULE CHANGES June 1, 2009: to add without the instructor's written approval
June 8, 2009: to drop without tuition charge, or "W" grade

OFFICE HOURS Law School Registrar's Office (Room 3310)
Monday - Thursday, 10:00 AM - 6:30 PM,
Friday, 9:00 AM - 5:30 PM

ALL STUDENTS MUST REGISTER BY 6:30 PM ON MONDAY, JUNE 8, 2009. STUDENTS WHO DO NOT REGISTER BY THIS DEADLINE MAY BE CHARGED A \$100 LATE REGISTRATION FEE.

EXPRESS REGISTRATION

"Express Registration" is a faster way for students to register online than using the "Search and Register" page. Students can use this page if they already know exactly which courses they want, to quickly add them to their "Preferred Sections List." All course sections available for online registration include an "Xpress ID" number. The numbers are published in the *Course Schedule* and on the GGU Web site.

The "Express Registration" page can be found on the GGU4YOU "Student" tab menu under the "Registration" heading. See the "Express Registration Help" link on the Web page for step-by-step instructions.

REGISTRATION - VISITING STUDENTS/AUDITORS

Registration for visiting students, non-degree candidates, and auditors for the summer term is available April 20-May 22, 2009. Students in these groups are not allowed to use Web registration. Students in these categories, once they are registered, will receive an e-mail providing access information for GGU4YOU, the University's interface to the administrative database, which they can use to view their schedule and grades, obtain their exam ID number, or update contact information. For more information, see www.ggu.edu/law/schedules and click on "Registration Instructions."

JD STUDENT EMPLOYMENT LIMITATIONS

ABA Standard 304(f) prohibits JD students from being employed in excess of 20 hours per week during any week in which the student is enrolled in more than 12 semester units. (Hours worked for clinic credit are not counted towards the 20 hours.) The School of Law prohibits first year full-time students from being employed at all. Failure to comply with these requirements may be considered a violation of the Standards of Student Conduct. Full-time upper division students who anticipate that they will be employed more than 20 hours per week during the semester must request a change to the part-time academic program.

JD STUDENTS WITH ADVISING REQUIREMENTS

Students who have been informed that they must have their schedules approved prior to registration must follow these steps:

1. Review the semester course schedule and scheduling notes, list of required and recommended courses, and any additional requirements as imposed by the Academic Standards Committee or Law Student Services. You may confirm your requirements by viewing your program evaluation report. See Program Evaluation Report section, on page 7, for instructions for viewing your report.
2. Make an appointment with the associate dean or director for student services by visiting Law Student Services or calling 442-6615. Please schedule an appointment for at least three school days prior to the start of your priority registration period.
3. Bring two copies of the completed [Advising Agreement](#) form to your appointment for approval. Once the form has been approved, the Registrar's Office will be instructed to grant you access to Web registration. Any changes to your schedule require prior approval.
4. Register for courses online. See the Law School Web Registration Instructions for step-by-step instructions.
5. Failure to enroll in all and only the approved courses will be considered a violation of the Standards of Student Conduct and could be grounds for dismissal and/or may trigger the imposition of late fees.

Students who complete these steps in a timely fashion will maximize their course selection and scheduling options.

JD STUDENT ACADEMIC ADVISING NOTES

Fall 2008 admitted JD students (with the exception of students in the HLP program) may register for the summer term online via GGU4YOU if you have no hold on your account which prevents you from doing so.

Upon completion of their first year, students are expected to select their own schedules, and they are encouraged to sign up for an academic advising appointment in Law Student Services to plan their academic careers. Students must complete **88 units** to graduate, including 57 required units and 31 elective units. Students are advised to consult the Schedules & Course Descriptions section of the Student Handbook

http://www.ggu.edu/school_of_law/law_student_services/student_handbook and this Web page www.ggu.edu/school_of_law/law_records_registration/course_descriptions/jd_required_courses for additional information and assistance.

WAIVER OF JD PROGRAM RULES

All JD students are enrolled in either a "full-time" or "part-time" academic program. Full-time students may enroll in a maximum of 16 units per fall or spring semester, as long as they comply with the ABA employment limitations set forth in ABA Standard 304(f) as described on page 5 under "JD Student Employment Limitations". Part-time students may enroll in a maximum of 12 units per fall or spring semester. Students in both types of programs may enroll in a maximum of 8 units in the summer session, except for students studying abroad and those in the Honors Lawyering Program. Students who want to enroll in overload units for their program types must first complete a *Petition for Waiver of JD Program Rules* form and submit it to the director for student services for approval. Registration for overload units will not be processed unless the approved petition form is on file with the Law School Registrar's Office. Students requiring a waiver of rules may not register for overload units online via GGU4YOU. Please note that these enrollment maximums do not relate to the requirements for eligibility for financial aid or VA benefits. Financial aid and VA benefit eligibility is based on students' term enrollment status classifications, not their program types.

WAIT-LIST INFORMATION

When a course section is full, students who request enrollment may be wait-listed for that section. Students who are on a wait-list are **not enrolled in the course and are not charged** for it until or unless a seat becomes available and they add the course. Wait-listed students will be **notified by e-mail if a seat in the course section becomes available before the first day of instruction for the term**. This message will be sent to the e-mail address on file with the Registrar's Office. Because there may be other students eager to enroll, a **time limit will be set** for the notified student to add the course. Students who are notified there is a seat available may add the course via GGU4YOU if they have no restrictions that would prevent them from doing so, or they may submit a *Schedule Change Request* form to the Law School Registrar's Office. If a student does not add the course by the deadline given, their permission to enroll will expire and they will be removed from the wait-list. Once instruction for the term has begun, the wait-list no longer applies and students may enroll in a wait-listed course only with the instructor's approval.

It is recommended that wait-listed students attend the first class meeting and bring a *Schedule Change Request* form. Some instructors will not accept students who have missed the first class meeting without an excused absence. Sometimes instructors will allow wait-listed students to enroll if there are additional seats available in the classroom, but some sections are limited to a certain capacity by other considerations. If the instructor will sign a student's *Schedule Change Request* form, and there is space in the classroom, the student may be enrolled in the course section regardless of the student's wait-list status.

Students who are wait-listed for a course and have decided not to enroll in it should remove themselves from the wait-list online or notify the Law School Registrar's Office as soon as possible at lawreg@ggu.edu.

ACADEMIC PROGRAM EVALUATION REPORT

The Registrar's Office maintains the Law School's academic program requirements in the student information system. Academic program requirements include required GPAs, required total units, required courses, any conditions imposed by the Academic Standards Committee, and number of elective units needed. Students can view their academic program evaluation report on the Web using GGU4YOU. It is a useful tool for schedule planning prior to registration. To view their reports, students should login to GGU4YOU, click on the "Student" tab menu and then "Evaluate Degree Programs". Once students have registered for their last term, their report statuses should say "Pending (Anticipated complete)". Students with questions may visit the Registrar's Office, room 3310, or call us at 415-442-6620.

ENROLLMENT STATUS CLASSIFICATIONS FOR FINANCIAL AID PURPOSES

The Law School classifies students' enrollment status based academic level and the number of units in which they are enrolled in a given term. These enrollment status classifications are used for verification of enrollment for loan deferment purposes and for financial aid eligibility. It is possible for part-time evening students to be enrolled in 12 units and therefore be classified as full-time for financial aid purposes.

Fall & Spring terms	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	17 units or more	12-16 units	9-11 units	6-11 units	5 units or less
LLM Students	13 units or more	8-12 units	5-7 units	4-7 units	3 units or less

Summer term	Overload	Full-time	Three-quarter Time*	Half-time	Less than half time
JD Students	9 units or more**	6-8 units	5 units	3-5 units	2 units or less
LLM Students	7 units or more	4-6 units	3 units	2-3 units	1 unit or less

* The three-quarter time enrollment status is used only for VA benefits determination.

**Except HLP students.

INCOMPLETE COURSES

Where exigent circumstances arise that prevent a student from fulfilling the requirements of a course by the end of the term, the student may submit a *Petition for Incomplete Course*. To receive approval for an incomplete, JD students must obtain the approval of the director for student services, and LLM and SJD students must obtain the approval of their program director. The instructor's approval also is required for courses NOT graded by a final exam. First-year JD students generally are not granted approval for incomplete courses. They should immediately consult with the associate dean or director for student services should they feel the need to petition for an incomplete. For more information on petitioning for an incomplete course please refer to the Student Handbook which can be found on the law school website at http://www.ggu.edu/school_of_law/law_student_services/student_handbook.

If a student's petition for an incomplete course is successful, the student should **not** drop the course.

Students who are completing a course by re-enrolling should not register for the course again. Instead, they should fill out a *Notice of Intent to Complete Course* form and submit it to the Law School Registrar's Office. Students will be enrolled in their preferred course section, provided there is room, at no tuition charge. Consequently, units for courses students are completing under this policy are not included in calculating their cost of attendance for financial aid purposes. Students who are enrolling only in courses they are attempting to complete and who are not enrolling in any new courses will be charged the fees for the term, but no tuition.

EFFECT OF INCOMPLETE COURSES ON GRADUATION

If a student has an outstanding incomplete course at the end of the term after which he or she intends to graduate, he or she must resolve it by the deadline indicated below or the student's graduation will be postponed until the term in which the course is completed. The deadline for resolving an incomplete grade before it is changed to a "W" for "Withdrawn" is not altered by these deadlines.

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

The Family Educational Rights & Privacy Act affords students certain rights with respect to the privacy of their education records. One of the rights under FERPA is the right to request non-disclosure of "directory information" without written authorization. For more detailed information about what the university classifies as "Directory Information" or about students' rights under FERPA, and to obtain a privacy request form, see the university's website at www.ggu.edu/about/UniversityPolicies/PrivacyPolicy, or go to the Department of Education website at www.ed.gov, or refer to 34 CFR 99.

SPECIAL MATERIALS & LITIGATION PROGRAM SUPPORT FEES

Every semester the School of Law assesses Special Materials fees in courses that require an excessive amount of duplicated materials.

Similar fees are also charged in courses that involve regular use of audio-visual equipment, rental of off-campus facilities or use of the Moot Court Room. With respect to courses in the Litigation Program, the following fee schedule has been designed to distribute the costs among program participants:

<u>Litigation Course</u>	<u>Fee</u>
Trial Advocacy	\$50.00
Basic Skills/Substantive Courses	\$20.00
Mock Trial Course and Competition	\$50.00
Advanced Skills/Practicum Courses	\$10.00

The **Trial Advocacy** fee will defray the extraordinary costs including rental of audio-visual equipment, bailiffs and courtroom security, and expenses for non-faculty attorneys who assist with the course.

The **Mock Trial** fee will defray extraordinary costs including rental of audio-visual equipment, bailiffs and courtroom security, and expenses for non-faculty attorneys who assist in evaluating student work and costs associated with participation in inter-school trial competitions.

Notes on fees

1. In the event that a litigation course may also require duplication of special materials, the cost of the special materials will be added to the litigation program support fee.
2. All fees will appear on the students' *Statement of Charges* and are payable to the University Cashier at the time of registration.
3. When a student drops a course that has a Special Materials Fee, the student may receive a credit for the Special Materials Fee only if the course is dropped on or before **Monday, June 8, 2009**. The special materials must be returned by the same date in an unused condition to Associate Dean Greg Egertson. If these conditions are met, Dean Egertson will then approve the request for a credit for the Special Materials Fee and will instruct Student Accounting Services to make an account adjustment.

SCHEDULE CHANGES

Every term, changes are made to the course schedule after it is published. For example, courses are added or canceled, class meeting days or times are changed, and instructors are added. Changes made after the course schedule is published will be posted in a running list as a PDF document on the course schedule page for the term on the law school website http://www.ggu.edu/school_of_law/law_records_registration/class_schedules.

After the course schedule is posted on the website, it will be updated as changes are made. Consequently, the online schedule on the Web will be the most current.

CLASSROOM ASSIGNMENTS

Classroom assignments are not included in this schedule. While room assignments may be printed on students' Statement of Charges, students should be aware that **classrooms are subject to change**. Students should check the signs posted on the 2nd and 3rd floors at the start of the term to verify classrooms. After the start of the term, classroom changes will be posted outside the room from which the course section is being moved, and on the Registrar's bulletin board in the 3rd floor West corridor. Students enrolled in the class will be notified of changes by email on the day before, whenever possible.

SUMMER 2009 NEW COURSES COURSE DESCRIPTIONS

LLM 326A Advanced Real Estate Taxation (1 unit)

To be posted later on the law school website.

LLM 378P Pacific Rim Trade Seminar (3 units)

This course provides an overview of the international trade policies followed by selected Asian and Pacific Rim nations and then examines the legal issues arising from the execution of those policies. The Pacific Rim Trade Seminar is a natural extension of the basic course in International Organizations and will focus on legal issues and the organizations, trade agreements and mutual defense/cooperation agreements that have been implemented to resolve them.

The seminar emphasizes student participation in discussions examining the issues from the perspective of the State, the courts, international businesses, and the individual. The seminar will allow students to review applicable rules of international law dealing with the regulation of international trade and then apply them to real world scenarios unfolding around them. Typical subjects for discussion include: (1) the effectiveness of (Pacific Rim) regional trade organizations such as ASEAN, NAFTA, and MERCOSUR; (2) advantages/disadvantages of (Pacific Rim) regional trade organizations; (3) advantages/disadvantages of supranational organizations such as the European Union and the Free Trade Area of the Americas; (4) compliance by Pacific Rim nations with WTO rules, regulations, and requirements; (5) legal issues arising out of doing business in a foreign jurisdiction (students will gain practical experience in advising a client considering an international business transaction involving Pacific Rim nations).

Substantive material will be presented through and grades will be determined by: (1) Classroom lectures and student presentations; (2) Assigned reading material; (3) Case studies; (4) Participation in class/seminar discussions and exercises; and (5) A final research paper on a topic of the student's own choosing.

Any changes made in this schedule of final examinations after publication of the schedule will come from the office of the Law Registrar. Revised schedules will be posted on the Law School website Course Schedules page for Summer 2009.

ADVANCE EXAM RESCHEDULING

Students desiring an advance rescheduling of examinations must submit an *Exam Rescheduling Form* to the exam coordinator in Room 3342 by 6:30 P.M. Friday, June 19, 2009, and then only under the following circumstances:

- i. A student has two School of Law examinations that are scheduled to start within a 23-hour period (not including take home exams and first-year midterms);
- ii. A student has three School of Law examinations on three consecutive days (not including take home exams);
- iii. A student's religious beliefs prohibit the taking of an examination at the scheduled time;
- iv. Student participation in a law school competition or course work for which the student is receiving academic credit.

The examination coordinator will determine which exam to move in the case of situation 1 or 2, above. If more than one exam is rescheduled, the exams normally are kept in the same order.

Exams will **not** be rescheduled for vacations, airplane tickets, family events, business conflicts, or conferences. In addition, School of Law exams will not be rescheduled due to conflicts with exams at other law schools or other programs in the university.

Exceptions to this policy *might* be granted (with timely and appropriate documentation) for the wedding of an immediate family member (parent, sibling, child) IF the student has a role in the ceremony AND the student has a direct time conflict.

SUMMER 2009 SCHEDULE OF FINAL EXAMS

Students are prohibited from discussing exam reschedule requests with their instructors. All exam reschedule requests or questions must be directed to the examination coordinator.

(See the on-line Student Handbook Examination Procedures for further information.)

Students may request a decision on an exam rescheduling question before registering or before the last day to drop for 100% tuition refund.

ExamSoft

All students are eligible to take their exams on their laptop. No additional registration or fee is necessary, but, the software must be installed prior to the student's first exam date. For minimum system requirements, go to www.examssoft.com/ggulaw. Installation and login instructions will be posted in Law School News and on the Law School website. All other communications will be sent through the email address on file with the Law Registrar. Please confirm that this address is working and correct. For any questions or technical assistance, please contact the exam coordinator at 415.369.5201 or lawexam@ggu.edu.

Visiting Students: All visiting students should contact the exam coordinator if they wish to use their laptops on exams while at Golden Gate University School of Law.
