[1]International students must be enrolled in a full-time load (12 or more units) during the fall and spring semesters. The summer session is a vacation term and no minimum enrollment is required.

[2]ABA Standard 304(f) states "A student may not be employed more than 20 hours per week in any week in which the student is enrolled in more than twelve class hours." Note: twelve class hours equal twelve units.

[3]Approval of these courses does not alter the requirement to submit a separate waiver to take over the maximum unit limit for your academic program, or waive the pre-requisites for any course. You will need to register on paper and obtain approval for these situations and for courses which require the instructor's permission to enroll. Approval of these courses does not guarantee you a seat in the course sections. This form is **not** intended to be submitted to the Registrar's Office in place of the Registration Request form.
