Earning CLEP credit

CLEP testing is limited to students who are **currently enrolled at Golden Gate University** or to **applicants of Golden Gate University**. Generally, you may take up to two exams per test day. To receive credit, you must:

1. Take the correct test. Pages 5 and 6 of this bulletin list GGU courses and their CLEP equivalents. **Questions about which exam(s) to take should be discussed with your academic advisor.**

Repeating CLEP Exams:

Do not register for any CLEP exam that you have already taken within the past six months. CLEP exams repeated before six months have passed will not be scored or reported to GGU. Your exam fees are not refundable.

Golden Gate University fully supports the six month “no-repeat” CLEP rule.

2. Receive the required credit-granting score recommended by the American Council on Education as printed in the *What Your CLEP Score Means* explanation guide. Passing scores are listed on page 7 of this bulletin.

IMPORTANT:

TIMING IS URGENT. Please do not postpone taking your exam. If your last term before graduation is approaching, please plan to take your last CLEP exam at least two months prior to your expected graduation date.

CLEP Fees and Instructions

Amount	Accompanying Form	Payable To:
\$15 per exam	CLEP Administration Fee Form	Golden Gate University
\$77 per exam	Registration-Admission Form	CLEP

You may pay by check or credit card. Checks for multiple exams must be written separately (two exams = four checks total). There is a \$20 fee for additional transcripts payable directly to CLEP.

Refunds

If you cancel your exam or do not appear for the exam, your payment of \$77 to CLEP will be refunded to you within 3-5 weeks of the scheduled exam date. The \$15 administration fee is not refundable.

Rescheduling Fee

If you reschedule your exam after the last day to register, another \$15 administration fee is charged by GGU.

About the Exams

Liberal Studies Core Requirements and General Elective Credit

GGU Course and Examination Equivalencies, found on pages 5-6 of this bulletin, includes some exams that grant six credits: three for a Liberal Studies Core Requirement, and three for General Elective credit only. General Elective credit cannot be used to satisfy any other course requirement, but will be added to the list of General Electives on your transcript. **There are no exceptions to this policy.**

English 1A and the “College Composition” Exam – 2-hour exam

- GGU awards credit through CLEP for English 1A, but NOT for English 1B.
- Students who want to earn credit for English 1A through CLEP must take the General CLEP exam entitled “College Composition.” No other CLEP exam is acceptable.
- The General Exam consists of multiple choice questions (60 minutes) and an essay section (60 minutes) completed online using word processing. Credit is granted only when both sections of the exam are passed.
- If you need CLEP credit for a specific term, please plan carefully. It takes approximately four weeks for CLEP to score and report outcomes for the “College Composition” exam. Additionally, there is an approximately 2-week processing time once the GGU San Francisco Records department receives your scores (6-8 weeks total).

Calculators

Calculators are electronically provided during exams that allow them by the computer-based testing software. You will not be permitted to use your own calculator for any exam.

Study Materials

- The College Board publishes The Official handbook for the CLEP Examinations. This book includes sample exam questions and answers. You may visit the office of Academic Affairs or the University Library to view a reserved desk copy.
- There are also individual subject review books which can be purchased at bookstores or on the College Board website (www.collegeboard.com/clep).

Canceling Your Attendance

To cancel or reschedule your CLEP exam, please contact the testing administrator as soon as possible.

What to Bring on Exam Day

Please bring a valid photo ID with you, such as a California Driver License, GGU Student ID card or a passport.

NO ONE WILL BE ADMITTED INTO THE EXAM ROOM WITHOUT A PHOTO ID.

DO NOT BRING: calculators, PDAs of any kind, books, papers, notes, beepers, cell phones, alarm watches or food. Using any of these items during the exam will lead to dismissal from the exam.

NO BEVERAGES will be allowed into the computer room/area. A calculator will be provided electronically if your exam requires you to use one. Please be prepared to leave bulky or non-test personal items in the front of the test room. Only students who are taking the test are allowed in the testing areas.

What to Expect on Exam Day

You will have **approximately 20 minutes** to complete an online registration process. This includes:

- Candidate Data: Fill in the personal data form and specify a score recipient.
- Read through the test center regulation screens.
- Optional: Complete a brief computer-based tutorial prior to starting the exam to illustrate basic exam-navigation functions.
- Read information screens: Confidentiality Agreement, Background Questions, and Exam Instructions.

90 minutes or less:

- You will be prompted to “Take the Exam.” This is when the timer begins. You may complete the exam at your own pace.

Approximately 15 minutes:

- After you have completed (or exited) the exam, you will be asked to answer Exit Evaluation Questions and read a Scoring Information screen.

Choose to report or cancel your score.

Choosing to view your score means it will be reported. If you choose to cancel the exam, you will **not** be given the option to view your score. Please weigh your decision carefully as it will be final.

Please note that scores **will not** be available for exams with an essay section. There is a four-week scoring process for all essay exams.

- When you are finished, you may leave the exam room quietly. Your exam will be submitted electronically for score recording.

Official Score Reports

An official score report will be mailed to the Golden Gate University Records Department within four weeks.

Exam Timing

The testing process takes approximately **two hours per exam**. Please plan accordingly. If your computer needs troubleshooting during the exam, there will be a minimal period of down time for your exam. Should this occur, your remaining time will be adjusted.

Accommodations for Test Takers with Disabilities

Candidates with disabilities who require accommodations are advised to make arrangements well in advance of the test date. Accommodations will be determined based upon the CLEP requirements for supporting documentation. If you need assistance, please contact the testing administrator as soon as possible. For more information regarding CLEP accommodation requirements, please contact CLEP directly: 1-800-257-9558, clep@info.collegeboard.com or TTY: 1-609-882-4118.

GGU Course / Exam Equivalencies

Business and Technology		
GGU Course Equivalent	CLEP Exam	Total Unit Values
Acctg 1A	Financial Accounting	3
